The treasurer's report was unanimously accepted.

8. Open Discussion:
  - a. Christine raised the issue of having quarterly club meetings rather than just a single meeting each year. The by-laws state that the club must have a minimum of one meeting. After much discussion, a motion was made to conduct a quarterly meeting concurrently with a driving and eating event. The motion was seconded and unanimously approved.
  - b. Christine inquired whether members would be interested in renting a facility for a TBCR Christmas party where we could bring in our own food or have it catered. Members were receptive to the idea. Christine agreed to research options and will report her findings back to the board and the members.
9. Have no further business, the meeting was adjourned at 2:50 p.m.

The next meeting will be held in April on a date to be determined.

Respectfully submitted,
