On the Road: Sunday at Casino del Sol

This was an unusual Sunday edition of a second Saturday run. A good turnout of members, who were treated to a ride over Gates Pass, a detour out to Sandario Road, then a run to the casino for an early lunch.

British Wheels on the Green: Tour and Show

By Pete Williams

The trip to Peoria, Az and our destination of British Wheels On the Green (BWOG) started on Saturday, November 2nd with a trip to Gila Bend.

Our first destination was the Dwarf Car Museum. This unique collection of hand-crafted half size cars amazed all of us. When we parked David George's Bug Eye Sprite next to the line of Dwarf cars his Bug Eye looked large! We spent a couple of hours admiring the craftsmanship. Everything in the collection is hand made with the exception of the drive trains. All of the Dwarf cars are drivable and street legal.

Next we went to Gila Bend (Little Italy) for lunch. The food was delicious. After lunch we toured to Peoria to check into our headquarters hotel. We had refreshments in the hotel lobby prior to our dinner, which was hosted by The Arizona (Phoenix area) MG club. They explained the show layout and format and gave us a hearty welcome.

On Sunday we checked out of the hotel and proceeded a short distance to the car show. The show was held on the park area just south of the Peoria city hall. We were parked in various car classes - by brand and era of each car line.

After lunch awards were presented and TBCR members won four trophies. Paul & Dorothy (1st in late MGBs), Cam & Carolyn (1st in XK150s), Steve & Nancy (2nd in XK140s) and George & Kathleen (3rd in E Types). Congratulations to each of the winners as the competition was stiff.

All in all it was fun and the consensus was that we should do it again next year.
